SCOPE OF THIS SET

General arrangements are issued for the Terrace and the Residence only. The Hub, Lagoon, Pavilion and Signature are represented by parametric massing, not naval-architecture CAD, and no general arrangement — indicative or otherwise — is issued for them. A massing study is not an arrangement and must not be read as one.

NOTES

- Views are indicative. They are derived from the design model at this line's published configuration and are NOT a certified general arrangement.
- Dimensions shown are the published particulars for this line. Where the drawn form differs from a stated dimension, the STATED DIMENSION GOVERNS. Do not scale from this drawing.
- Overall length is normalised to the published LOA, matching the online configurator. Beam as drawn is the extreme breadth over deck overhangs and guardrails; the stated beam is the platform beam.
- Air draft is measured from the design waterline at maximum published draft. Masts, antennae and radar are excluded from the stated figure.
- Hull configuration is as stated in the particulars. Internal model codes are not shown.

Indicative general arrangement — certified GA available on request.
